

## **Natural 2 Tablets. (Get relief from any disease.)**

*In modern farming, farmers use chemical fertilizers and poisonous pesticide, which make the crops toxic and by eating these crops, people get incurable diseases. To get relief, they spend a lot of money on treatment and medicines, but do not get relief. The organ get damaged get cut still do not get relief and at very young age die with unbearable pain.*

*At the age of 25, I was suffering from several incurable diseases and was in a lot of pain. Many doctors tried to help me, but did not succeed. I was in pain and despair and thought of ending my life, then I saw that like me there were doctors and countless people living a suffocating life. I wondered, why is everyone so sick? Why do treatments fail?*

*To find answers and to get relief from my diseases, I started studying medical books and I found the reasons, why we fail to get relief? **And then discovered a simple way to overcome the disease and get relief from all illness.** For the last 40 years I have been doing '**Human Service**' by giving free tablets as "**Holy Prasad**". Within 15 days of using my given tablets, patients started feeling relief and I started getting '**Kind Blessings for my Salvation**'.*

*To live a disease free life, everyone should understand how diseases occur and how to treat them. For a happy and healthy life, wealth is also important. By following the principles of Hindu-Jainism and our '**Shri Save Organic Farming System (OFS)**', by '**Cooperating with the Natural Cycle**' and by irrigating only water, anyone can '**Become a Millionaire**'. How? That information is written in the '**Do Nothing & Earn a Lot**' section.*

*Now I am 77 years old, and 'God' can call me back anytime. Before leaving this world empty handed, it is my moral duty and responsibility, whatever I have taken from the society for my living, with interest I am returning back by keeping them at society's feet, so others can get benefits for their living.*

***I am not a doctor, so for my safety, all my colleagues, the pharmaceutical company and others I help, I am writing this 'Warning-Disclaimer'. If you trust in my 40 years of experience, then read the information given below and use 'Natural Salt Tablet' at your own risk and no one will be responsible for whatever the result may be.***

*You will be interested to know why we do not get relief from diseases. The truth is that today even the creators of the 'Modern System' are living a suffocating life due to their greed and profit behaviour. Once everyone knows the truth, why is the lifespan of a human being written as 1,000 years in the '**Hindu scriptures**' and 600 years in the '**Bible**'? And even today some people live a healthy life of more than 100 years, then why are some people leaving this '**Beautiful World**' at a young age of 50 years? And those who are living a long life, be it the owners of pharmaceutical companies, drug discoverers, doctors or common people, everyone has to take medicines to survive!! Why brother, why does everyone fall ill? Now, everyone wants to know how to live a long healthy life. Whatever scientific reasons I have discovered, I place them at the feet of society. It is up to you to believe in them or not.*

*I was suffering from many incurable diseases and tried '**Allopathic, Homeopathic, and Ayurvedic medicines**' but I found only temporary relief. When I read a 200-year-old book and consumed my own '**Organic Farm Produce**' along with '**Natural 12 Salt Tablets**', I began living healthy life. Here is my experience with these four types of medicines.*

*For a healthy life, we must understand how diseases arise. The body requires '**12 Natural Pure Salts – Alkalis**', which are absorbed by different organs through healthy food and we get this food by '**Organic Farming**'. This food body develops '**Gas, Col and Acid**', 1*

which combines and develops **'New Blood'** and daily provides **'New Energy'**. After absorbing the required salts, the body expels leftover waste through stools, urine, phlegm and sweat.

The body cannot digest excess and impure food, which the body removes through diarrhea, colds, coughs, nasal discharge, headaches, or vomiting. If the waste remains, it begins to rot inside the body, allowing worms, bacteria, germs to grow and **leads to diseases**. Sometimes, high fever develops, which increases the body's temperature to expel these germs, **this natural fever arises on its own**, and once the body is purified, the fever subsides. However, seeing the waste, high fever, and pain, people become scared of death and rush to doctors. The medicines they take suppress the waste and pain rather than expelling it. When animals and birds are sick, they instinctively abstain from food, giving their intestines rest and curing themselves through fasting. Similarly, Jain monks do fasting by drinking only warm water and eats only home-cooked food and by walk they avoid diseases.

Today is the modern era, everyone wants modern facilities and by any means to fulfil those people want more and more money. Along with this, due to the fear of losing jobs, increasing business and losing buyers, everyone works hard like machines and animals. To save time they eat whatever is available easily. In this rush to earn money no one has time to take care of their body and when they fall sick, to get quick relief they use **'Allopathic, Homeopathic and Ayurveda Medicine'**. I have used all these medicines for myself, my family and for my friends. **With these three medicines I am giving my experiences, so for quick relief from your disease maybe it will be useful and you can live a healthy life.**

Initially, allopathic medication gave me miraculous relief. However, with time, as my illness worsened, I started visiting the doctor's clinic frequently and during these visits, I was shocked to see the condition of many patients. I heard doctors tell patients, especially those with blood pressure and diabetes, **"You have to take medication for the rest of your life; otherwise, you may die"**. **This made me wonder: If medication and treatment are really effective, why should one take medication for the rest of one's life?**

I studied this deeply and learnt that **'These Medicines are Chemical-Based. They are tested on animals, prepared and often animal organs are transplanted into human bodies. Finally, I understood how these medicines provide instant relief and why they need to be taken lifelong'**. I observed that most illnesses begin with a headache and then the body expels waste from the eyes and nose, sometimes with sticky mucus and water to reduce the pain. However, for quick relief, people are influenced by the "brain-boggling and free knowledge" offered on TV and after watching the advertisement, everyone takes headache pills, **which stops the flow of mucus and the headache goes away, but this raises an important question: where did all that waste disappear?**

**Blood pressure is a common disease in my family.** The doctor started the treatment with a 5 mg tablet but in a few months the dosage increased from **5 mg to 250 mg**. So I asked the doctor the reason for this increase and he said, **"This is a viral disease, and to avoid it, one has to take medicine for life and if one stops, the blood pressure increases and**

death can also happen." Like this, why is the dosage increasing? I started to find that.

*Why is the mg of the pill increasing? This research revealed the truth, considering the immediate relief provided by headache pills. Most chemicals in these pills are hot in nature and they evaporate the water content in the waste and dry out the mucus and the waste of headache is in the body itself, the proof of this is, when the sticky mucus flowing from the nose dries up, people remove it by scratching their nose, but the dry waste of the head is inside the body itself, which stops the blood flow and due to this the blood pressure never decreases, rather the mg of the pill increases with time and to save life one has to take the pill throughout life.*

I have seen my peoples were gone through diseases pain and taken all the type of treatments, by this my experience is, in emergency '**Allopathic System**' is very useful only for suppressing diseases because it never purifying the body. For '**Blood Pressure**' doctor has given advice to take lifelong medicine to keep the blood thin like water and due to the '**Side-Effect**' my grandmother use to do '**Blood Vomiting**' and I used to get suicidal thoughts due to not getting relief from my incurable disease.

In the treatment of my family I also discussed with my doctors and I came to know that, from head to toe '**Modern System**' only suppresses disease pain. My experience is, any disease and the sticky mucus dry waste travels in the body with the blood and sticks to the organs wherever it wants. If it sticks to the eyes, they become red, vision becomes weak, the number of glasses increases and finally '**Cataract and Blindness**'. When the waste sticks to the ears, the hearing ability gradually decreases, and the person becomes '**Deaf**'. If it sticks to the throat, children have '**Tonsils**' and adults have '**Thyroid**' problems. When the sticky waste lumps form, it thickens the blood, making it difficult for the person to walk fast and often leads to '**Heart**' problems, burning sensation in the chest due to '**Acidity**', excessive gas formation, weakening of organs and decline in all functions. If the waste gets stuck in the kidney or bladder, it forms '**Stones**', intermittent urination is a '**Prostate Problem**', in such cases, my elder brother went for dialysis again and again to remove the accumulated waste and finally, when the kidney failed, he got sister-in-law **kidney transplanted**. Small lumps - tumours are formed in various parts of the body, especially in the breasts of women and despite having sufficient milk, the mother is unable to breastfeed and due to this lump, my wife had a breast operation and sister-in-law's entire '**Breast Removed**'. After trying all the remedies, my uncle's son got '**Cancer**' and due to chemotherapy, he lost his hair and died at a young age, just like this, with time, the family and relatives removed the '**Organs given free of cost by Nature**' and replaced them with **artificial organs**. Despite these all '**Side-Effects**', my advice is **if an emergency situation arises then for a few days to save life use the 'Allopathic System'**.

To get relief, I also used '**Homeopathy Medicine**'. My doctor Wadia asked for my complete past medical history. Many medicines are used in this method and one should be aware of all of them, otherwise they also have '**Side-Effects**'. In short, no disease comes overnight and neither goes faster, one should be patient to get relief, which is impossible

in today's fast-paced world. I used it for two years, but there was no significant benefit.

Vaidraj - Dr. should have complete knowledge about plants and trees otherwise **'Ayurveda also has Side- Effects'**. After seeing an advertisement to get relief from constipation I took **'Ayurveda pill'**. So when I used them, my stomach used to get clean, but the day I did not take the pill - powder, it was impossible to defecate easily the next day and I had to remove the dry stool with my finger. **This raised a question in my mind that how would 'Ayurveda pill' clean the stomach?**

**Which alkali - salt is present in the 'Ayurveda' to cleanse the stomach, how to take this pill or powder and how does it cleanse the stomach?** I searched and came to know that these **pill or powder** do not contain any useful alkali for the body, yet people hold water in one hand and pill or powder in the other and then forcefully they put it in the stomach, this creates an emergency situation and to protect the body, **as per the 'Natural System', it has to throw pill or powder out from body.** So with the wrong medicine the stuck stool- waste in the intestine comes out. **Due to this the next day one gets weak, because in this body purification many reserves and essential digestive juices and water also get thrown out.**

Why get weakness? **In body weight 60% is of reserves water and it helps in keeping all the organs, muscles and blood moist and soft.** Taking stomach cleansing tablets daily reduces water reserves and along with the medicine, dry stools and essential digestive juices also get reduced. **Although it is advisable to use these tablets once in seven days,** but by taking them daily, water reserves get reduced, blood thickens, organs and muscles become weak and dry and like **'Allopathic Medicines', see the side effects of 'Ayurveda'.**

**Everyone knows that all the bones of the body are joined by the muscles and they are not stitched by wire or thread.** But I have seen in my family that when the water of the flesh dries up, they become weak and break and it becomes impossible for him to walk fast or run. When my elder brother's arm muscles dried up and the arms came out of the shoulder repeatedly and **'Dislocation'** started happening, **at that time the doctor sealed and tied all the muscles.** I have seen, when the muscles of the neck dried up, a family member used to wear and walk, by using **'Neck Belt like a Dog'**. The muscles of my spine dried up, I got a **'Slipped Disc'** and the nerves of my back started getting pressed, so to stop and for its support, I started wearing an iron strip belt. **Whereas my daughter's mother-in-law had unbearable back pain, to get rid of the pain and for permanent relief, the doctor did surgery and cut the nerves.** Similarly, the back muscles of many people in the family have dried up and they are suffering pain from **'Sciatica'** and **'Varicose Veins'**.

**Due to the 'Side-Effects', day by day, my wife's problem gradually increased, the muscles dried up and the weight of the whole body came on the knees and the bones above and below the joint were rubbing against each other, which caused her unbearable pain, so we got the surgery done by paying a very high price and got new unnatural joints installed, but still the pain remains the same.**

To prevent the prepared food and water from spoiling, the manufacturers add **'Acid-** 4

**Preservatives'** and we all consume such food and water. Due to such food, the '**Uric Acid**' of everyone in my house, young or old, has increased a lot and due to that everyone has diseases like '**Gout and Joint Pain**', **the child has no interest in studies and sports. In the house the boy and girl have a dark circle under their eyes and tooth cavity problems.**

When the water in my '**Guru's**' intestine dried up, the length of the intestine increased which resulted in '**Hernia**' and my brother got '**Constipation**', while passing stool forcefully, the lining of the intestine used to come out, which we call '**Piles**' and to prevent it from coming out, **the doctor stitched him permanently, since then he can only sit on tube.**

**Due to a weak intestine, the digestive system does not work properly and there is a problem of 'Diabetes and Gas' in the family and new ones are starting.**

I firmly believe that diseases occur only when the amount of water in the body starts decreasing below **60%**. Whatever be the name of the disease, these conditions are often caused by the '**Side-Effects**' of three types of medicines. Sir, I am repeatedly saying that **I am not a doctor**, I am saying all this after seeing my experiences and the symptoms of the disease, whether you believe it or not is up to you, but true is that I found a way to get relief from these experiences, which I place at your feet for the service of humanity.

The truth is that the world's oldest Ayurveda medicines are extremely effective for treatment. However, today farmers depend on toxic inputs (**MFS**) for farming, which has reduced the power of plants to provide pure food. **If plants cannot provide pure nutrients, how can Ayurveda medicines work effectively? To stay healthy and fit, we must consume food grown through organic farming.**

**See '*Indian Ayurveda Medicine*' power. Many doctors used to send third stage cancer patients to our Umrugaon. Since 1906, we do, 'Organic Farming by Shri Save System - OFS' and our food contains all the necessary 12 salt which is needed by the human body, so for treatment, '*Umrugaon Trust*' used our grown '*Ayurveda Medicines*'.**

**'Ayurveda Medicines' grown by Shri Save Organic Farming System.**

For ten years, the Trust provided free medicine for cancer patients and also shared our information on staying healthy, eating pure food and promoting organic farming. The Trust cured many stage 3 cancer patients, all records were kept and based on this success, '**Gujarat Government**' gave five acres of land for a hospital. However, the Trust observed that due to modern farming system, medicine and wrong education, the disease was increasing and if this continued, **how long would we be able to provide free service? With this thought, the Trust stopped the free service and returned the land to the government.**

There is a saying that, **'One who is burnt by the milk, drinks buttermilk very cautiously'**. After not getting relief from any medicines, I started searching for a simple, natural system which can lead a healthy life. **All the religions say that 'search for God with a true heart and you will find him.'** And this thing turned out to be true in my life because I was searching for one and found two, **'One a Farmer and the other a Doctor'**.

***In 1960, for a healthy life, 'Shri Save discovered the Organic Farming System – OFS', by adopting which one can live a healthy life, get pure produce with the help of natural cycles and only with water use become rich by OFS. Read all the information about that system in the 'DO NOTHING & EARN A LOT' section.***

***200 years ago, German doctor Mr. Schussler discovered the 'Natural Salt Treatment and Simple System', from head to toe for any disease relief, only by reading a book, anyone can get relief so after using them, my experience and gain information I am placing at your feet.***

### **Dr. Schussler's Discovery of Natural Relief Systems.**

***200 years ago, German Dr. Schussler studied about 'Natural Cycle and Body Function' and according to the natural cycle rules, he learned that the human body is made up of '12 Main Alkalis – Salts' and then discovered the 'Natural Simple Treatment System' to get relief from any disease.***

***About his discovery, Dr. Schussler said that the human body is made up of five elements - fire, water, air, earth and sky and for a healthy life, life depends on 12 organic alkalis - salts. Just as plants get nutrition from organic manure so we get healthy food, in the same way my discovered 12 salt help people in making and keeping healthy.***

***Due to improper food when any salt becomes unbalanced in the body then weakness occurs and we think of it as a disease. I discovered the symptoms of unbalanced salt and balanced the appropriate salt tablets out of 12 and I have seen all get fast relief, so I felt that '12 Natural Salt Tablet' is becoming a boon in giving relief to people suffering from all diseases and chronic pain.***

### **Acceptance of Biochemic Tablets**

Many doctors from around the world have used 'Dr. Schussler's 12 Biochemic Tablets' and said, **'This tablets is useful in getting relief from any disease, it is made from alkali - salt found in the earth, it does not need to be tested on animals, because on the body these tablets do not have any 'Side-Effects'**. You can read all these things on **'Google'**.

**I am not a doctor** and till now you have read my experiences with other medicines. After reading many doctors' books written on 12 tablets, I took **'12 Salt Tablets'** for my incurable disease and got relief from the disease and then gave it to my family, after seeing all the results, from the last 40 years I have been doing **'Human Service'** by giving tablets

for free. **Today people who believe in me start getting relief within 15 days, there are letters - videos of blessings of this.** Now I am getting much relief from organic food on my farm, but by experience I have come to know many reasons for not getting **100% relief**, which I have written below. **My life's only aim is, 'Everyone should get a healthy life'**. Many greedy people have forgotten the truth of life that, **'We came empty handed and have to go empty handed'**, so instead of looting and dying in misery, it is better to follow the path of living a healthy life happily and by following the rules and regulations become a **'Millionaire'**, that too without any input cost by our **'Organic Farming System'**.

### **There are challenges in promoting 12 Salt Natural Tablets.**

These **'12 Salt Tablets'** were discovered 200 years ago but due to lack of information and to get immediate relief all are using other **'Remedies'** and I have said my experience about them. People who live long, they are living with the help of medicines, whether they are doctors or owners of medicine co., many live a miserable life considering their fate as their fault, when they are not able to bear the pain, **they commit suicide.**

### **Natural cleansing system according to my understanding.**

Now is the time, like me, to read the **'12 Natural and Innocent Tablets Book'** and become a family doctor and get relief from all diseases. I have one request, to get a healthy and disease free life, be patient for 15 days for body purification, because suppressed old the garbage (**Old Treasury**) for many years will come out slowly - slowly, which comes out in the form of diarrhea / runny nose / dry phlegm from the chest and phlegm has many colors, it also has a bad smells, it is very important to come out for healthy living, during this time if you have **'Mild Fever'** then it is more beneficial, because due to the natural heat of fever, all the micro germs which survive by eating garbage and which cause disease, are removed by this heat.

When the waste did not come out from my body, **'Twice I got TB'**, had a dry cough and I used to **'Bark like a Dog'**, because the body wanted to throw out the waste and nature did not give legs to the waste so that it can walk and come out on its own. Due to the dry sticky phlegm there was a lot of itching and I and others **'Scratch like Monkeys'**, it makes the skin red, sometimes even blood comes out, because the body wants to throw out the waste by any means, but to stop the itching we put **'Creams'** and suppress the itching, now that sticky phlegm sticks to the air passage of the breathing balloon, in this it is difficulty in breathing and suffocation, so **'Asthma Pump'** was started to my neighbour, in this his waste dried too much and he got **'Eczema'** and everyone knows that, **there is no medicine for 'Eczema!'** and finally he died with **'Skin Cancer'**. Something similar happens in **'Covid'** as well, **I have proof, when my chest X-ray was taken, it came out completely black due to the sticky phlegm.**

Dear Sir, even if you have undergone any operation or any **'Organ'** has been removed, do not panic because I say from my 40 years of experience and the relief I have received, this innocent discovery of 12 tablets is useful in head to toe of any pain giving relief, because it melts and removes old dry waste, to live long, you just have to be patient, because **'Disease does not come overnight Brother'**, so sometimes it takes more time to remove the

frozen waste in old diseases, **sometime the old frozen disease gives pain again**, that is why everyone says that, **'Disease Comes at the Speed of an Elephant and goes at the speed of an Ant'**. Once the waste is removed, you get relief from any disease.

Keep **'Biochemical 12 Tablet'** at home and buy it from any **'Homeopathy Pharmacy'**, it is made of cow milk powder (lactose) and does not spoil for 5 years, suck it and swallow it and do not drink water for 15 minutes. Easily to find this 12 tablets bottle, I have given my numbers to the bottle and as per disease symptoms, for relief, I tell only the bottle number. Many doctors have given similar information on **Google**, I have also written the same in my book and in brief, some information is given below. Keep one thing in mind that, in 12 months we use different vegetables and food and according to that season we have different diseases, so keeping this in mind and to stay healthy, as per those months and disease use the tablets.

**'Biochemical 12 Tablets':** 1. **Calcarea Fluor- 6X.** / 2. **Calcarea Phos - 6X.** / 3. **Calcarea Sulph - 6X.** / 4. **Ferrum Phos - 6X.** / 5. **Kali Mur - 6X.** / 6. **Kali Phos - 6X.** / 7. **Kali Sulph - 6X.** / 8. **Magnesia Phos - 6X.** / 9. **Naturm Mur - 6X.** / 10. **Natrum Phos - 6X.** / 11. **Natrum Sulph - 6X.** / 12. **Silica - 6X.**

After German doctor **Mr. Schussler**, many doctors of the world did further research on these and found that, there are 12 months in a year, there are 12 main planets around the earth and human birth is also related to 12 zodiac signs, 'Believe it or Not', these 12 tablets are also related to this calculation. Because it gave me relief from my disease, for which I was suffering from for 25 years, even today as per my birth date I am taking 5 small tablets of 200X power, once every 7 days. Why does this number of tablets not benefit everyone? Because if someone considers his body a dustbin, then tell me how he will benefit? Below I have given that information which is written in the doctors' book. Men and Women, who are born in this month and between those dates might be suffering from that disease and might get that disease in the future, so there is no risk in using it for prevention, check and use.

mucous membranes, cures skin diseases, balances digestion, and improve pancreatic health.

**12) Silica – 6X** (Born between 23/11 and 20/12): Helps dissolve cancerous lumps, stabilizes skin and connective tissues, purifies blood, and strengthens hair and nails.

**After 40 years of free treatment, one doubt has been raised, 'As per 'Organs', Modern system has given different names to the diseases, has developed medicine and as per organs, doctors also give treatment. Suppose one has a headache and a pill sold in that name and people take 'Headache Pill', will it work only on headache?**

In all treatment systems, with water first medicine goes into the stomach and then dissolves in the blood and **travels in the body**, touching all the healthy organs and finally gives relief from headache and in case of emergency, the doctor injects the medicine to give immediate relief. **By now you have understood my experience of all these treatments. This gave rise to another doubt, 'Body parts have been cut off, yet daily people take medicine, some waste comes out through stool, urine and phlegm, but a lot of new waste gets pressed and instead of coming out, where does that waste get deposited brother!?? To avoid that waste pain, everyone takes pills throughout their life.**

**By doing 'Human Service and Free Practice' I came to know that if we take out all the 'Blood Vessels - Veins' from the body and join them in a line, then their length will be equal to at least two circles of this earth.** Nature has given such long blood veins so that all the organs get blood immediately and the proof of this is that, if there is a wound anywhere in the body, blood starts flowing immediately. **Due to this length, the waste remains pressed there and the patient does not even know, due to this waste many people grow like 'Elephants', new diseases develop day by day and when the heart does not get blood, like my wife a 'Metal Tube - Stent' has been inserted in the blood veins and in other family members done 'Bypassed', and now to make the blood flow faster, new medicine has given to keep the blood thin as water.**

When one by one the organs of me, my wife and my family started failing, a new treatment started to move the accumulated waste from one place to another, which we know as **'Physiotherapy'**. **The first thing that I needed to do in life, started at the end of my life, because I wasted time in earning money which was not going to come with me in life, just like many 'Millionaires' do.** Now all of us have to pay the entire cost of these treatments in advance and we have never ridden a bicycle in life, we have never done hard labour

but now we have to lift weights, do as much exercise as possible and when we get tired, we have to get massages done. Sir calls this '**Earn Nothing but keep Working Very Hard**'. The old remains and new waste is created and in the end the family members choke and die.

After everything is destroyed, the truth comes out and the same doctor finally says, "I tried my best, but....." Now the remaining hospital bills have to be paid before taking the death certificate and the body of the deceased. When the doctor sees his own family members dying like this, he often regrets why he did not trust the 200-year-old natural remedies? Why did he not listen to the elders? If he had lived his life according to the 'nature cycle', both the money and the life of the family member could have been saved. I wrote this because many doctors have taken my two tablets treatment and to remain and to get healthy food, doing 'Organic Farming by Shri Save System'.

***A solid truth is that everyone wants to stay healthy, but for that no one wants to work by only sowing grain seed and due to that eat toxic food of MFS and in poisonous grown food, read further what you are eating. Now it is a request to educated people like you, if you want to make 'The Best Farming Country' want to become 'Self-Reliance and Millionaire' without any input cost and only by using little water then adopt 'Shri Save Organic Farming System - OFS' which has received many 'National and International Awards'. For a better future of the world and to get rid of 'Global Warming', we 'Save and Sanghvi' have placed all that information at the feet of society through the chapter of 'DO NOTHING & EARN A LOT'.  
Dr. Schussler's discovery of 12 Salts and its Power.***

'For all diseases, from head to toe' Dr. Schussler's discovery of 12 salt tablets was unprecedented. Instantly these tablets get mixed in the saliva and enter the bloodstream and by touching all the organs, clean the disease waste from the body, increase the immunity and give the blessing of living a healthy life till long age. This waste is removed, the proof of this is my daughter 'Krupa', due to waste, my daughter's weight was 103 kg, which has come down to 70 kg due to these tablets, she was suffering from many diseases, after waste removal, she became the mother of a son.  
*After body purification, read further a scientific way, how to get your desired child.*

After 40 years of free service, I got the experience that the same blood flows in all the organs, that is why Dr. Schussler has made only 12 Tablets and it has '**Nothing to do with the name of the Disease**'. Whereas today why are there so many medicines for every disease? Despite years of study, why do doctors not know about the whole body? For every organ, why we go to different doctors? I have written this experience of mine because due to fear of death and even after spending lot, daily many people of the family are living their lives by taking 20 to 40 pills, before eating daily diabetes patients inject themselves in the 10

stomach. **Wow brother wow, what a treatment and everyone has their own system!! In short, the body is yours, you have to bear the disease pain, so you have to decide which treatment will give you relief, the reason behind writing this is, firstly I am not a doctor and when many people of my family do not trust my treatment and many are living their lives suffocating by taking pills, that is why I have made this thing clear, use the pill only if you have faith. Once again I say, I am not a doctor and this is my experience.**

For body purification initially, from many bottles and many tablets I used to give. Patients used to get confused by seeing many tablets, used to make mistakes in taking them and **some patients used to get very angry with me on seeing so many tablets. So from my experience of free service, for patients comfort and for body purification, I took the basic main salts and from a pharmaceutical company prepared only 'A1 and A2 Two Tablets', with those 2 tablets also patients got relief in 15 days.** By this, I started getting blessings for my service and the confidence of the mentally ill increased that they are getting relief only with two tablets. By preparing 2 tablets, my expenditure which was earlier **Rs. 3,000/-**, got reduced to **Rs. 500/-**, due to this **I was able to serve more people.**

#### **My Line of Treatments:**

For '**Human Service**', when I was giving tablet, I used to say, if someone considers his body a garbage box and consuming tobacco, cigarettes, alcohol and when '**God has made human as 100% vegetarian**', still he considers his stomach as a graveyard and bury '**Dead Creatures Body**' by cooking and eats '**meat-fish-egg etc.**' and becomes a '**Non-Vegetarians**', then in this matter any medicine he takes, he does not get relief. Many illiterate people sacrifice animals, blaming fate and do puja-paath to get relief, give donations, '**In short giving bribes to 'God'**', but even then '**God Himself**' cannot save him. Because '**God**' has developed '**100% Vegetarian**' and whatever diseases / chemicals are there in that '**Creatures Body**', by eating all of them goes into the stomach of the person who eats such foods.

The same rule applies to '**Pure Vegetarians**', because they also eat food prepared with chemical fertilizers and poisonous medicines. This is the reason why **Jain Munis, people, doctors** are thinking that they are eating pure food to stay healthy, yet they get incurable diseases and no matter what medicine they take, they do not get relief and die with the suffocation. **Below I have written all the scientific evidence and reasons, which we do against 'Natural Cycle' and disturbed the 'Environment' and created 'Globule Warming' Information about How to take 'Biochemic Immunity Booster – A1 & A 2 Tablets'.**

**Diet:** In 'Yoga' it is called body purification and for 40 years I do this, daily in morning before brushing, drink at least one to two glasses of lukewarm or plain water and then immediately do brush with 'Normal Salt' or 'Vicopaste'.

If it is possible, then only do it. After brushing and tongue cleaning do this process. Try as much as possible, to bring the tongue out your mouth and then with the three fingers rub the inner part of the tongue for 3 to 4 times, where you will find dry white frozen mucus, because tongue cleaner wire cannot reach up to there. By this if there is acid in the stomach then it **11**

can come out by this vomiting process, if the water taste is sour then the intestine is weak and if it is bitter then these are signs of a weak liver. By this process, the throat and voice box get clean, some water comes out from the eyes, which will clean the natural lens of your eyes, vision becomes clear and you can protect from cataract. Drinking water in the morning it also cleans the stomach and in few days many intestine and constipation problems get soles.

According to natural law, breakfast should be taken like a king, lunch should be taken like a rich man and dinner should be taken as little as possible like a poor man and beggar. To digest dinner, one should take a short walk so that if there is gas, it comes out by burping.

If possible, never eat after 7 pm like many animals and birds and Jain people follow this rule. But many people do all the work against the natural law and due to this **Gas** (vaayu), all types of **Acid** (taste- sour or bitter), **Cold-Cough** (phlegm) develop and when the quantity of these three increases or decreases then diseases occur. If you maintain these three elements by eating good food, then like me, you too can avoid diseases even at my age of 77.

The strongest part of the body and the chewing power is in the teeth, so to keep them safe throughout life, **it is necessary to brush them before sleeping.** To avoid diseases, make a habit of drinking plain or lukewarm water after every one hour, then you can avoid diseases.

**For many years, starting from headache, the waste of every kind of disease has been dried and suppressed in the body, which starts coming out after melting with the help of 'Natural Two Tablets', when it comes out might there be some discomfort - pain therefore, to get rid of the disease, do not put new waste in the body and for removing the waste, take 'Biochemical Two Tablet' for 15 days and for body 'Detox Process', for purification do not eat fried food, junk food, coffee, garlic, onion, butter, cheese, pizza, chocolate, pickles, tamarind, cold drinks, ice cream, cold water or too much sour food (definitely use lemon), and as I said above, it is necessary to be 100% vegetarian, why? Know all those scientific reasons later.**

#### **Instructions for A1 and A2 Tablets:**

1. Take '**A1 Tablet**' 30 minutes before breakfast, lunch, and dinner.
2. Take '**A2 Tablet**' 30 minutes after breakfast, lunch, and dinner.

#### **Dietary Guidelines After 15 Days:**

- After 15 days, begin eating all foods alternately, except **coffee and garlic**, as these inhibit the effectiveness of the tablets.
- Wait for 3 days after consuming a specific food. If you do not experience pain, you can continue eating that food. If a food causes pain, avoid it, as it is unsuitable for your body.
- Use this process to identify and eliminate foods that may cause health issues. By doing so, you can take charge of your health and live a disease-free life.

**This way, by searching, saves yourself from disease, this is the right way to live a healthy life and to become your own doctor.**

#### **Important Notes:**

- For a long time due to fear of death, if you have been taking any medications do not **12**

stop them, continue them as per your doctor's advice. However, maintain a 30-minute gap between your current medications and the **A1** and **A2** Tablets.

- After 15 days of using **A1** and **A2** Tablets, compare the relief they provide. If you do not experience even **1%** improvement, then further study I advise you to read on **Google**, some information is in my book. For books, see '**Book Information**' on this website. Remember, **if there was no benefit, 'Natural Salt Tablets'** cause no harm to the body, which is why they are referred to as the '**Innocent 12 Tablets.**' However, old waste in the body may take time to clear, so patience is necessary. **Brother the fact is, overnight waste does not deposit and does not come out, also due to fear your other medications are on and so till now you know what result you will get.**

Why did my belief in 'Natural 12 Salt Tablets' increase? I saw in my own family that, after studying every part of the body, **one of my family members became MS Doctor**, for examining my incurable joint pain, he got a full body report prepared from another doctor and on that basis gave many '**Steroid Injections**' in my joints, but after some days the same pain used to start again, then due to extreme pain I thought of committing suicide, then **I saw that even though he is my family doctor, but he prescribes medicines for me only after seeing the report of other doctor!! And also advises me to take healthy food and diet, when the doctor has knowledge of the whole body then first why can't he treat himself properly? The surprising thing was that the same doctor of my family himself died of incurable disease of 'Prostate Cancer'!!** In this case, '**The doctor who is like God to mankind is not at fault brother**', the truth is that **we all are victims of the looting scheme through foreign education** and its system and the thousands of years old '**Ayurveda**' is ending due to **MFS Farming**. I have written solid evidence of '**Ayurveda**' treatment system further and told why they stopped free treatment? I have also given the reasons.

**The main reason for the illness of all Jain monks, people and doctor's, is that we all need 'Natural Pure 12 Salts' and we get only '3 NPK Salts' by modern farming and that too grown with toxic inputs. In such a situation, where will the body get the rest of 9 salts? This is a plan, 'First give the pain and later give vitamin tablets', life time one have to take body immunity tablets and disease never gets cured and relief.**

All religions say, '**Due to good deeds we get human birth to live a happy life**'. Are we living a happy life? **No sir**, by eating poisonous food we are living a life worse than animals and suffering from incurable diseases, '**Brother, what is the use of earning money which cannot buy pure food for a healthy life?**' Everyone wants pure food but no one wants to do **OFS** or become a '**Millionaire**' by following rules and regulations!!

The way we are living, our new generation should not have to face pain and suffering, so it is very important to give them the right information about 12 Tablets and **OFS** through education so that they can live life happily. Now to make every person '**Self-Reliant**', to save his hard earned money, everyone should know **what kind of food they are eating?** We are repeatedly saying, '**Do Organic Farming**' in home, terrace and field only with water

and become a **'Millionaire'**. In this also we help everyone by giving **free information** through our **'Shri Organic Agriculture System - OFS'**. Study our system in **'Do Nothing and Earn a Lot'**. How do all get sick? How can we get a disease free life? In emergency, how will **'Natural 12 Salt Tablet'** provide relief at home? **Know that from my experience.**

**You have read my experience about 'Natural Salt'**. Now to avoid eating poisonous food, we must know what we are eating. Then you will be able to purify your body and prepare for having children. It is also important to know how parents make their children **'Bookworms'**, for **'Jobs'** (slavery) and fill their own lives with sorrows. If you do not have children, still live a happy life, become **'Parents - Rich'**, read that information in **'Do Nothing and Earn a Lot'**.

200 years ago German doctor Schussler invented **'Natural 12 Tablets'** and by reading book I got benefits and even I am not a doctor then too last from 40 years to help people I am giving free tablets so they get relief. By this experience I have learnt that people get relief, but **right from the morning toothpaste to the night's food and drink**, there are chemicals and acid-preservatives and the same food makes everyone sick, then **how will one get benefits?**

See the reasons why **'Non-Vegetarians'** and also **'Vegetarians'** get disease. **'God has made human a '100% Vegetarian'**, like animals humans do not have long tongue, sharp teeth, nails, long intestines, yet look what human is eating. A naturally and multi-coloured healthy hen grows in **350 days** and it runs very fast and lays very few eggs. Where **'Broiler Chickens'** of the same size, weight and completely **'White'** (looking like leprosy) grow up in a **'Poultry House'** in just **28 days** by feeding them lots of chemicals and start laying eggs like a machine. **This type of unnaturally grown chicken can neither run nor stand on its feet.** In **'Modern Farming'** similar types of chemicals and hybrid seeds are used, which increase the size and weight of vegetables, fruits and grains. **In short, 'As a type of food you eat, so will your body and mind'**. Today people consider the body as a **'Garbage Box -Dustbin'** and by eating such poisonous food they also grow up like an **'Elephant'**. Today people do not eat food to live but lives to eat only for taste, which food are having poisonous spices (chemicals like Ajinomoto), so today's children are irritable, full of anger, under the eyes have black dark circles, suffering from joint pain, gas, cold, acidity and many incurable diseases, so to get rid from all this use, **A1 and A 2 Tablets** and purify your body

You must have felt that you took the natural tablets along with your ongoing medication and you must have got at least 1% relief which you had not got till date, now think when you got some relief in 15 days then how much can you get in 90 days? **Study like me and make the whole family healthy.** Even if you take the wrong number of tablets, there is no need to be afraid because these tablets have **'No Side-Effects'**, these natural salt tablets are made from milk powder and **that is why they are easily available in 'Homeopathic Shops'**.

By now you have understood that the salt of the natural tablets mixes with the blood and purifies the body, the suppressed waste comes out and this comes out through phlegm, stool, urine, sweat, vomit and there is no weakness in this cleaning. **Hearing power also comes back**, if the disease is very old then it may take more time and patients like asthma - covid **14**

get very strong cough, tears come from the eyes and old white, yellow and green smelly mucus starts coming out which is very important, only then relief is obtained. If there is a very strong cough, then to remove the phlegm from the chest, add lemon and little black salt in hot water and drink, which will help in removing the mucus accumulated in the chest. If you have fever then it is good and the germs that survive by eating garbage die due to heat of the body and purification happens faster. Similarly, in constipation also dry stool comes out. This cleaning can last for 15 days and remember that **'No disease comes or goes in a day.'** **If there is more garbage stuck in the body, then there may be some more trouble for a few days, but success is definitely achieved. Those who have joint pain, asthma and chronic cold and cough, phlegm comes out of the mouth and nose automatically for at least 90 days.**

Patients who take natural tablets along with ongoing medicines, when they see waste coming out of their body at that time, such patients get scared by seeing this waste and think that the disease has increased and they stop innocent salt tablets. **As I said that everyone has to suffer punishment according to his deeds, so do not waste time in convincing those who do not believe, leave them to their fate.**

Still I try to serve and treat people to make them free from all his sufferings. I often ask educated (**But illiterate about the body, who has a habit of demanding scientific proof in each matter.**) people who have a lot of fear of death, 'In 200 years many doctors have written many books on **'Natural 12 Tablets'**, many have given free advice, made very simple living system, shown the way to get relief and cure disease, but you do not have time to purify the body or time to read books, so see, what is your condition?' So to remove the fear of death, I have a question, 'At night when you are in deep sleep, you are not in the body, rather you are in the dream world, which the scriptures call the state of death, because at that time you do not know how much land, property and wealth you have, if you look at it, then at that time you are free from all worries. The truth is that, every morning 'God gives new life again to enjoy life' so remove the fear of death from your mind. Now onwards, don't think about getting more and more wealth, because one day you have to leave all this, so 'Honesty' think about getting a healthy life, because even animals live their life but we have got human life due to our good karma and healthy life is real wealth. The second truth is that, this faeces, urine and mucus coming out of the body is not any **'Gold or Silver'** which you want to keep in the body!! **Since this dirt does not come out, the body organs dry up and have to be cut off, so to live and to get such organs, by killing innocent animals, stolen from other humans' bodies or by taking it gets transplanted.**

**'Wow brother wow' what a beautiful 'Modern Science, working method and treatment!!' But brother, even after so many treatments, that old 'Waste' remains in the body and my family members and others who do not believe in the 'Natural Salt 2 Tablets' prepared by me, they all are still suffering from the same old 'Pain'.**

It is better to take 2 tablets and if you do not get even 1% relief in 15 days, then stop them and take the right tablet from the list above or after reading from Google. It is better 15

to live a healthy life by taking 2 tablets than taking poisonous medicines for the whole life.

**200 years ago Dr. Schussler said that we get 12 salts from plants. I have done organic farming and my experience is that these salts are present in our daily food, spices and they are just like 12 salt tablets.**

Body check-up reports are written in English, common people are unable to understand them and after seeing it, they think that it is some incurable disease and live a suffocated life. **Brother, when nature has made the body from only 12 alkalis then write in simple language that, there is less lime in the body therefore bones are weak, therefore mix some lime in the milk, if iron is less then eat more vegetables, due to less water the blood is thick therefore drink more water etc. Let us understand the 12 tablets and the spices being used in the food daily. Let us understand this in a simple way.**

**See for life safety and when we get disease what do we do?**

We eat ripe fruits and dry fruits directly, but before eating grains and vegetables, we clean them thoroughly with water and to remove the chemicals produced by **'MFS Side-Effects'** to remove dust and any stinky garbage – waste and for more safety we cook them.

**Fact is only 'Human' do this cooking process**, most of the 12 natural alkalis are burnt and to compensate for them we use many spices, **Are they pure? Only God knows!!**

Now look at **'Turmeric'**, every woman knows that if her finger gets cut by a knife while cutting vegetables, she immediately uses **'Turmeric'**, because **'Turmeric is an Antiseptic'**, so by adding turmeric, everyone drinks hot milk. **The truth is that in all languages people know 'Turmeric' by different names. It is called 'Haldi' in Hindi, 'Turmeric' in English 'Turmeric' and our Dear Doctor Schussler has named it 'Ferrum Phos - meaning the number 4 Tablet', which works as an antiseptic.** Similarly, when the child cries a lot due to stomach-ache and gas, women mix **'Asafoetida'** in water and apply it on the stomach, which removes the gas. **Therefore, in Hindi it is called 'Hing', in English it is called 'Asafoetida' and Dr. Schussler has named it 'Magnesia Phos', which means Tablet number 8', which is used to get relief from pain caused by gas.** 'Salt', is used for the body water balance system which is useful and for **PURE Namak – Mith – Salt, for which Dr. Schussler has named it 'Nat. Mur' - which means number 9'. My experience is that what we use every day thinking it to be a 'Pure Spice' are 12 alkalis - salts extracted from the ground, which are scientifically purified to make 12 tablets. Therefore, to protect our body and avoid illness, there is no harm in consuming these tablets every day and I have been using it for 40 years and am healthy even at the age of 77.**

In the old days, to get pure spices women were using fresh spices, which was grown through **'Organic Farming'**, under their own supervision, they used to dry in the sunlight, used to grind and they used them round the year. **But brother, now it is the 'Modern Era' and in earning no one has time for all this lengthy process, so everyone uses ready-made, market-developed spices and its result is before our eyes.**

In **'Hindu culture'** we get the 12 alkalis required for our body from spices, now let's 16

see another system of getting it. **In India, for cooking people use 'Cow ghee, Groundnut, Coconut and Mustard Oil'. 'Coconut contains all the 12 Natural Alkalis - Salt' so coconut is used in every holy work,** and in food people use them maximum coconut, it is sprinkled on the prepared food to make it beautifully and decoration and use them as chutney.

**In Hindu Worship, in place of 'Lord Ganesh', people put 'Betel Nut'. 'Vishnu Samaj',** cooked food is offered to **'Lord Krishna as Prasad',** along with this, **A Leaf, Catechu - Katha, Roasted Betel Nut and tie all the with Cloves, then decorate it beautifully and sprinkle coconut powder on it and they keep it as Prasad,** and after finishing the meal, everyone eats the same decorated betel leaf considering it as **God's Prasad. The main scientific reason behind this is that roasted betel nut has the property of keeping the blood thin and lime contains calcium which makes the bones strong.** Muslims eat a little salt at the beginning and end of their meal by saying **'Bismillah',** this system is also useful in digesting food and they also eat a similar leaf with betel nut after food. In today's modern era, **Gutkha, Tobacco** and as a place of **'Katha- Catechu Powder'** has been replaced by **'Copper Oxide Chemical'** and all **'Side-Effects'** are before our eyes.

**The environment, weather, food and culture of every region are all different and by this 'Natural System' plants take natural manure and produce 12 alkaline foods so that people of that country can have a healthy life and they can eat food and grains according to the season.** But today by adopting foreign culture all the countries of the world have forgotten their way of living life and instead of eating food according to the season, they are eating out of season food which contains **'Preservative Acid',** like mango juice and many other things which are at least one to two years old. Many countries are using other countries' seeds in farming and to grow using maximum **'MFS Chemical Fertilizers and Pesticides',** which has also caused many diseases, see the proof of this.

**In India, there were millets, rice and many other types of paddy, by eating which people lived long lives and India was a World Best Farming Country,** in that the British brought wheat seeds and India is ruined and see solid proof of this is **'Punjab',** today in each house there is **'Cancer'!!** Why? Because by **'Organic Farming'** we were getting 12 Healthy Salt and now by **MFS we get 3 toxic salt by which 100 age has come down to 50!!** Today, **world best farmers of 'India' are committing suicide, the 'Environment' is spoiled, fresh air is not available, all the 'Food and Water' has chemicals in it and how long can a person survive by taking medicines?**

**This discovery of 12 tablets is not mine,** but my request is to try taking 2 tablets and get experience and if you do not get even 1% relief in 15 days, then stop and for relief read from above or from **Google.** As per the 12 months and date of birth tablets number is given, it is possible in that season one gets that disease, so for relief take 6X tablets of that number and get experience. After 90 days, reduce the tablets based on relief. **My other experience is, as per Hindu culture, before waste accumulates, every 7 days it should be removed by keeping the stomach clean, take 'Ayurvedic powder or tablets'. The people who** 17

do not get OFS food and who have faith, they take A1 in morning and A2 tablets at night, to avoid diseases every 7 day they all take 200X power tablets as per their date of birth.

Some experiences gained from treatment. Companies add acid in the food and water so they do not get spoiled and very blindly we all consume such market food. Today, there is a lot of use of computers, mobile phones and the strong rays come out from that and medicines chemical also dry up the body water and organs. Ahead I said about 'Side Effects' of these systems, now to protect yourself, add this treatment system in it.

**A true incident that happened with me and I have the reports of many doctors about it. After looking at my eyes, all the doctors said the same thing, 'Sanghavi, you have cataract, if you do not spend 5 lakh rupees and get surgery done immediately, then there is a high possibility of you losing your eyes.' But with the help of 'Eye Cleaning Glass' and my 'A1 & A2 Tablet', today at the age of 77, I can read without glasses and drive a car even in the dark.** You can also keep your family's eyes safe by removing the stuck dirt with this experiment of mine. 'Eye Cleaning Glass' is available at the medical store, fill that glass with pure water and dip your eyes in it, then open and close the eyes 30-40 times inside the water so that the water can go inside the eye, in this way clean both the eyes one by one. With this system, you can save your 'Natural Eye Lens', get relief from irritation, the number of glasses also does not increase. If we understand this, then the proof is that when we wake up in the morning, some natural waste from the eyes gets stuck at the corner of the eye and when the water dries up, the waste remains inside and the eyesight becomes weak.

**A true incident, my daughter 'Heti' had kidney stones, she was in a lot of pain, then in-laws decided to apply a stent but had to wait till the swelling reduced and my all 3 daughters knew about my treatment so 'Heti' followed the below system.**

***In any disease and in any emergency situation (you can try it and see the miracle) I take 5 tablets of A1 and 5 tablets of A2 =total 10 tablets. First of all I put all 10 tablets in a cup and over them I am approx. 250 ml. very hot water pouring on tablets, this way I am preparing a solution of the tablets. To reduce the pain, every time by well stirring it and every 1 hour I am giving one tablespoon of cooled water tablet solution and at night before going to sleep I give all the remaining water. Just Like this only for 3 days, every morning I make a new solution and expel the kidney stones through urine. Till date I have removed many kidney stones in 3 days by this method, Same way I have provided relief from 'joint pain, cancer' and many other diseases and I am keep all the success reports, videos and letters of my blessing and for my safety.***

I am saying again that, these are all my experiences, there is no guarantee that everyone will benefit from my system, the reason for writing again and again is that 18

these 12 tablets were discovered 200 years ago by 'Dr. Schussler' and this is not my discovery, **but yes, I have definitely prepared A1 and A2 tablets from my experience, if you have faith and believe, then try it once before any operation and satisfy yourself.**

To stay healthy, God has made humans 100% vegetarian, but doctors say eat eggs!! People believe it and eat, this way turns their bodies into dustbins and graveyards. **I am adding some new information based on my new experience in which food, to greed people mixed acid to earn and fact is such money is of NO USE in end of life, so what is the use of earning curses and bad reputation and also suffering the punishment for wrong deeds?** By eating such toxic food when there is pain, I have also given that information, **which tablet number will give fast relief.**

1) Scientists have proved that bacteria appear again in boiled water within 6 hours, but if you open a bottle of water sold in the name of pure mineral water and keep it in the sun, even after several months bacteria do not appear in it, **because acid is mixed in that water and due to plastic bottle, it gets heated in the sun so the possibility of getting 'Cancer'.**

2) Usually for making curd from milk we mix some old curd and in 6 hours sweet curd is formed and in a few hours it becomes sour and in 2 days it gets spoiled. The best thing is to set curd in the morning and eat it till afternoon. If you want to avoid joint pain, then do not eat curd in the evening and if you have to eat it, then heat it first. **The curd available in the market never gets spoiled and by mixing it in milk new curd is never formed, even after 5 days it does not get spoiled!! Why? Because that curd is made in the factory by adding acid.**

3) Bread is used in every household and everyone believes that **'If the bread is soft then it is fresh'**. Companies take advantage of this and sell raw bread which remains soft even though it is bad. See the proof, **if you take a new bread and put your nose in the middle and smell it, you will get a sour smell.** Many people think that brown bread made of wheat is better than white flour bread, companies take advantage of this misunderstanding and mix brown colour in white bread and sell it in the name of brown bread. The truth is that bread-pizza sucks the water from the intestine and sticks to the intestine, causing constipation and many diseases. If you have to eat it, then eat it only after frying it on a pan in cow ghee so that it does not stick to the intestine and **'Ghee'** is the best lubricant for the intestine. **We Gujarati Jain people avoid bread and eat roti after frying it more, which we call 'khakhra', we eat it by applying coriander chutney, cumin powder, black salt, for a good taste.**

4) I have knowledge of **'Organic Farming'** and I know how many toxic chemicals are used to get more production. Now after buying fruits and vegetables from the market and before using them, at home, for some time we dip them in baking soda water, then we clean with fresh water. **Do you think companies must be cleaning their production in this way so that you do not get any disease?**

Out of all the **MFS** farming products, look at this, when you buy seedless grapes, look at them carefully, there are many white small dots on each grape, take one grape and cut from the middle, you will see one dead seed in it, then why is it called **'Seedless Grapes'**? See 19

how it grows and it gets developed **Seedless**? In the beginning when the grapes are small, at that time the whole bunch of grapes is dipped in '**Gibberellic Acid**' so that '**Seedless – Impotent Grapes**' are prepared. Today from all such modern farming products companies develop final products like '**Alcohol, Bidi-Hookah, Cigarette etc**' and after use them people get impotency and many incurable diseases. In the old days similar produce was grown by '**Organic Farming**' and at that time with that production no one had the problem of liver and lung cancer, which today we see in most of the houses because of **MFS**. In the old days men and women were healthy, used to enjoy their life, used to form a complete cricket team and all the families used to live together and today.....!??

5) Fresh fruits and vegetables bought from the market get spoiled within a few days. But the products made in the factory like jam, tomato and all other sauces never get spoiled. I am saying this with confidence because I have done government processing classes, it is necessary to add preservative acid in it so that it does not get spoiled and this information is written on the product label, so read, think and then eat.

6) The donkey eats all plants but never eats tobacco. On the field tobacco leaves are covered with dust and many chemicals and as it gets dry and from that makes products like gutkha, bidi, cigarette, cheroot which develop '**Cancer**'. On 'YouTube' see a video of '**Kalyanaswamy**' @vinamavaani in which a scientific system shows how human excreta - toilets get dry to make gutkha and sell them with help of artists, cricketers and those who have sold their soul and conscience to get money.

7) Watch 'Youtube', the rotten wheat left over from the dustbin that is not sold, is first dried, then flour is made from it and a new product. Like bread and many other food items which are at least 7 days old, they are sold only after heating it in the oven and everyone eats it with relish, in reality everyone is not eating that food, but the masala and sauces sprinkled on it. Out of many products, see only one with concrete evidence which proves that it is made of bad flour. We eat biscuits, give the same to a dog, first the dog smells it, if it is good then he eats it otherwise he will turn away and go away, because 'God' has given intelligence to the dog that what to eat and what not, but humans eat the same type of food without thinking, standing in a queue like beggars and begging with pleading, the result is in front of our eyes.

8) Animals and birds eat their food raw, while we eat it after cooking it on fire and adding many impure spices in it. That is why many foreign countries have stopped importing our prepared spices from India, but if it is grown by organic farming, then people of the world are ready to buy them at 4 times the normal price, which we are getting for our '**Organic Farming Produce**'. Whether the food is cooked at home or bought from the market, it should be heated before eating, so that if there is any kind of '**Side- Effect**' in it, it is removed and this is why nature has allowed humans to eat hot food.

**My Guru Shri Save lived the sage way, in the forest at the time of penance sage, used to eat only 85 grams of sprouted food so every night, Shri Save used to eat 20**

such food, which easily got digested. In his dinner, he used to eat 25 grams of moong + 25 grams of wheat + 15 grams of gram + 10 grams of peanuts + 5 grams of sesame and 5 grams of fenugreek = Thus, he used to eat 85 grams of sprouted food mixed with lemon juice, coriander and date chutney. This is one proof to live a healthy life.

9) 80% of diseases are caused by impure milk, ghee and oil. First know the '**Natural Truth**'. When a cow gives birth to a calf, it drinks its mother's milk, until it gets its teeth and once it starts eating grass, the calf never drinks milk in its life. Now look at humans, children drink their mother's milk and even after getting their teeth, they drink animal's milk!! Today the whole world drinks impure milk of '**Jersey cow**'. Just think, every day thousands of animals are slaughtered, then daily, from where this thousands of liters of milk comes? Today everyone knows how fake milk is prepared. In short, according to the '**Natural Truth**' it is better to leave it and if one has to drink milk, then in the scriptures it is allowed to drink only the milk of a '**Desi Cow**' and use its '**Ghee**'. To avoid all diseases, one should buy milk, ghee and oil from a small village. **Otherwise, prepare ghee at home and to get pure oil, many small machines are available on 'Youtube', with this you can also run a home industry.**

10) Ask this question to anyone: What is the colour of the juice that comes out of sugarcane? Everyone will say that it is green and the jaggery made from that juice will be brown or black, **then how is sugar white?** Because in factories, brown sugar is cleaned with water containing '**Sulphur Chemical**' so white sugar is obtained from this process. The truth is that firecrackers are made from this sulphur powder and this is the reason why scholars and doctors ask to use '**Organic Jaggery**' instead of poisonous sugar. Chocolate making companies add a lot of sugar to make bitter chocolate sweet. **Ice cream is made without milk;** oil, water, sugar, dry fruits and ice are added and this juice gets mixed at very high speed and solution is kept in a deep fridge frozen. **Cold drinks contain at least 7 spoons of sugar.** In short, such impure substances are difficult to digest, **so avoid consuming them and caution children, by giving correct information.**

If the immunity is low and due to such wrong food the throat becomes red and swollen and it becomes difficult to drink water. Sometimes fever occurs and when worms start forming, one gets a fever, which is a good sign and due to body heat of this fever, worms get removed. **When the correct number of the tablet is not understood then for relief and for any kind of fever, I asked to suck 3 tablets each of number 4, 5, 9 and 11 for 3 days. If the fever was more than 2 degrees, then to suppress it I used to say to take the doctor's medicine for 3 days and with that, to avoid 'side-effects' use to give A1 and A2 tablets'.**

11) **Blood Pressure and Diabetes:** People suffering from these diseases and thinking that **this disease cannot be cured**, but I have an old book in which the doctor has written about its treatment. **According to the book, if the age of someone like me is 77 years + 100 = 177, then it is considered as a normal blood pressure.** For many years my blood pressure remains between 150 to 180 and due to bad eating habits it used to increase to 200, at that time I used to purify my body with some **Ayurvedic** powder or tablet for 3 days and 21

**I used to take 'A1 and A2' with it, but till date I have not taken any medicine.**

Earlier, the scholars of '**Hinduism**' used to say to keep the society healthy and by giving the message through sages and saints, 'The person who fasts by giving up food once in 7 days, gets '**God's blessings**' and earns '**Punya**'. To aid fasting, every Saturday in the temple, bitter water with neem leaves or **Ayurvedic** powder was given for free. If you are intelligent, through fasting you will understand the plan of Indian culture to avoid diseases in society.

Nowadays normal blood pressure is considered to be 130, why? Everyone knows the reason for this. Now do an experiment to know the truth and get relief. Note down the blood pressure and diabetes readings before starting the experiment. To clear the stomach, take an **Ayurvedic** tablet or powder which helps in removing intestine dirt from the stomach. Take it every night only for three days, take such a quantity that the intestines are cleaned by defecating at least 2 to 3 times a day. For these three days, take only vegetable soup, dry fruits, overripe bananas and fruits, suck sugarcane juice or take a glass of juice, do not take any cooked food, take only **A2 and A2 tablet** for three days, see the result. Check your blood pressure and diabetes on the fourth day, you will be surprised, understand the causes of the disease. **In three days you will know the truth, so now you have to think that, 'No disease comes or goes overnight'. Disease, pain, all are yours, so think how do you want to live your life? So by believing in these innocent 12 tablets and with your experience, for 'Human Service' you should pass and help others, if 200 years ago if Dr. Schussler had not started this free service, even I would not have been able to help.**

**12) 'Natural Scientific System' of having a 'Boy or Girl' as per your choice.** (After three goddesses were born in my house, I got this information from a '**Sikh Family**').

**According to the nature cycle 'Birth and Death' is a continuous process, so to keep them on, nature has created 'Man and Women'.** Society only blesses marriages but does not give any proper guidance about the '**Holy Act of getting Children**', even hesitates to give the correct information about Organ. Many people consider themselves weak due to watching fabricated '**Sex Videos**', many illiterate doctors' advice to do '**Masturbation**', due to which the new generation gets misled and becomes weak and is unable to have children after marriage. **Now overcome the fear and get children as per your wish.**

**You must have seen in your life that many women live longer than men!! Why is that so?** In Hindu scriptures, it is said to follow celibacy after 60 because **a man spends at least 100 ml of blood** in masturbating once and having sex with his wife. Doing the same thing again and again can tire a young man or any one. Today's MFS produce does not have those nutrients which can immediately replenish the spent blood. After watching artificially prepared sex videos, the husband and wife hurry to have children in which '**Semen – Blood**' gets wasted. **Another reason for not getting success is, the man always rushes because of the erection of the penis, while before the wife is mentally and physically ready and till the time she does not allow to receive 'Semen' (prasad), the man hastens to have sex, due to which success is not achieved and semen get waste. Using this method** 22

repeatedly reduces the blood in the man's body, **MFS food does not have the power to instantly replenish the lost energy, therefore causes impotence, the man is broken physically and mentally and due to lack of knowledge, he dies prematurely.**

**One can't clap with one hand in life** so if a woman wants, **she can increase the age of her husband** because a man only wants love from his wife and while making love it is the duty of the wife to explain to the husband that he should not be in a hurry to do this sacred act and if she also wants to be satisfied then she should tell everything with an open mind. **If both want success in life then during the holy worship of Shivaling, only after taking the permission and as per her wish of the wife, give her 'Prasad – Semen'. If this happens, both will remain bound to each other with love for 100 years and the husband will never even think about any other woman or do any wrong deed.**

Now you have to overcome your fear and avoid haste to get the child of your choice, it is necessary for the man to do some exercise and he can increase his mental power and save his semen. **Whenever you urinate, stop the urge of urine repeatedly and release it, this exercise helps in stopping the semen and the sacred task of getting a child as per the wife's wish is accomplished.**

After 40 years of free treatment, I also got the knowledge that, due to watching fabricated '**Sex Videos**', virgin girls also '**Masturbate**' to satisfy their hunger, many women become pregnant by having sex with young boys, then the mother quietly goes anywhere to abort the child to save it from the society, **gets many instruments inserted in the vagina and gets the daughter aborted, due to this the girl becomes a victim of many diseases, yet the mother makes the daughter weak by not giving the right knowledge.** Due to many wrong food habits, the girl also suffers from many diseases of the vagina. In short, the new generation becomes misguided and weak, due to pain, they are not able to fulfil the desire of the husband and after marriage they are not able to have children. Therefore, understand natural science, if the milk vessel is not clean, the milk gets spoiled and the same thing applies to women as well, due to many diseases of the uterus, they do not have fertility and the child falls which is called '**Abortion**', (which had happened three times in my life and then I got success with **A1 and A2** and **three goddesses arrived.**)

If a man has a lack of semen or is weak, then also he is unable to have a child. In such a situation, people go to the doctor to have a child. To have a child, the doctor puts someone else's semen (**pure or impure**) and gives many medicines so that the child stays in the uterus and does not fall and finally '**Caesarean**' is done. There are many such children, who are born unnaturally, are weak, are born with many deformities, many have missing body parts and such children survive with the help of medicines throughout their lives. Seeing such a situation, many people do not want it and many people think that **it is better not to have children.** Many people don't want children because of money problems, which anyone can overcome by reading our chapter '**Do Nothing and Earn a Lot**' and become a '**Millionaire**'.

To take care of this '**Beautiful Green World**' a new one is born and every parent, **23**

considering it their duty, takes care of the same for 18 years and later the same child takes care of the parents till their death. This is a **'Natural Cycle'**. One comes and the old one leaves everything behind and goes back empty handed. Taking care of the 'Natural Cycle' is the duty of every new generation and for life living 'Money is also necessary' and in this case the 'Natural Cycle' only takes care, how? You have read the information that anyone can become a **'Millionaire'** by following the natural rules. **As I said, every man and woman needs to keep their body healthy. Today at the age of 77, I am healthy in every way with the help of A1 and A2 Tablet and enjoying my life. In the same way you can also check your body at home. While waking up in the morning, if your penis is full of blood and its condition is like during sex, then it is a sign of being healthy and you can have sex.**

I am saying again that I understand the natural system for having a child, a man is ready with his penis, but women are ready for sex with their mind, so for good results never rush for the 'Holy Act' and have sex only after your wife's consent. **It is a truth that the birth of a boy or a girl depends on the semen of the man, because in life you reap what you sow, so never blame your wife in this regard she is like '9 Durga Mata in One Woman', but in the end it is in the hands of 'God' who gives a 'Boy or a Girl according to 'Karma'.**

**This 'Natural Scientific System' information was given by 'Shri Harbhajan - Sikh Family'. The basis of this calculation of 'Boy or Girl' is 'Sea Tide and Ebb', so if a woman has sex (sacred act) on the 12th - 13th - 14th day after the end of menstruation, if it is a full moon day, then there is a possibility of a 'Boy' and if it is a new moon day then there is a possibility of a 'Girl'. If the full moon and new moon days are taken into account then this possibility also succeeds.**

**This 'Natural Scientific System' and its calculations I found convincing, because I am a farmer and we sow new crops on the day of full moon and get a very good yield. Another proof, on the day of full moon and new moon this thing is seen in mental house, on the day of full moon, the mad people have a lot of power and no one can control them, so they are kept tied with chains. On this day, many men lose their balance due to increased sex power and on this day do rape of any woman or girl.**

**Some of my life experiences.** Children should wear loose clothes so that their organs get good development. If a boy is born, it is the mother's duty that in the morning after bath, **on the boy neck of the penis apply Cow Ghee or Coconut Oil** so that the skin becomes soft from birth and the skin of the penis can move back and forth. This makes urine flow easily, and also prevents diseases caused by alkali released with urine. **The habit of applying oily substances from childhood helps in building satisfactory relationships after marriage.** Similarly, the mother should also apply a little **Cow Ghee or Coconut Oil in the girl's vagina** and massage her breasts well so that the breasts become soft and develop well. This childhood habit will be useful when she becomes a mother after marriage, **the child will get plenty of milk and daily massage will prevent 'Cancerous Lumps in the Breast'.** You can see **'Breast Massages'** on YouTube.

## **I had and received in an emergency situation some Biochemical Tablets Experiences.**

1) When food is not digested and remains in the intestine, gas is formed, headache occurs, sour or bitter water comes in the mouth, burning sensation in the chest due to acidity - severe pain - restlessness - increased heartbeat, no one can bear this pain, the patient and the family think that it must be heart disease, cholesterol (thick blood) and ECG reports also indicate the same, the family members get scared after seeing the report and the doctor puts a metal 'Tube - Stent in the Blood Vessel', till date my wife has got one and others have got 4 stent !! But the question is, what about that waste, which gives pain and develops an emergency? At the age of 77, I have seen such a situation many times.

This pain is often caused by eating in hotels and free feasts and then there is a lot of restlessness, one does not even feel like drinking water. It is a common thing that when there is a fire, water is used to extinguish it, similarly when I get acidity, burning sensation in intestine and chest due to eating wrong food, then to extinguish the fire **forcefully I drink 3 to 4 glasses of plain water, purify the body by putting three fingers in the mouth and vomit and throw out the sour water and impure food, it is the same acid which causes pain in intestine - chest, as soon as this waste comes out, I get immediate and but temporary relief.**

Everyone knows that this pain is caused by eating too much fried and spicy food. You must have seen that when someone is in great anger, he abuses and shouts, 'Go apply oil - go and drink oil'. By saying this, he indicates to avoid the use of oil. If someone wants to live a healthy life, he should avoid fried and spicy food and should cleanse the stomach with Ayurvedic tablets or powder every seven days to avoid all diseases.

**To get instant relief from 'Acidity and Heartburn', I keep tablet number 10 with me and if I see someone else suffering, I immediately I use to give 5 tablets and ask them to suck the juice and in a few minutes they get relief. In short, keep tablets number 2, 4, 10 with you to avoid emergency situations.**

2) As I said, 'Natural Salt Tablet' has nothing to do with the name of the disease, so for getting instant relief within 3 days in any kind of disease, I take 5 tablets each of A1 and A2. If these tablets are not available then I take 10 tablets each from bottle No. 2, 4, 5, 6, 8 and 10. As mentioned above, I prepare a solution of these tablets in warm water and use it in the same way in 'Emergency'. In short, by now you know everything about the cause and treatment of the disease. I am saying again and again on the basis of my 40 years of free service and experience, this is 'Biochemical Immunity Booster 12 Tablets', it has nothing to do with the name of the disease and it gives relief in all diseases. Dear Brother, unless you use it, how will you know the truth?

3) **The most painful disease is Acidity and Gas**, it neither allows sleep nor sit, the patient has to run towards the window for fresh air. Sour water comes in the mouth, there is frequent burping, on eating anything there is a lot of pain in the chest, many people fall asleep while sitting and suddenly stand up due to nervousness, this is a sign of weak intestine, to get rid of it, the treatment has to be done for a very long time and with a lot of patience. Taking 25

only 'Local Cow's Milk', especially soup of vegetables like gourd, pumpkin, cucumber etc., overripe fruits, some amount of dry fruits for strength and only rice khichdi in dinner gives immediate relief. During the relief of this treatment, the old suppressed waste gradually gets soaked and comes out and due to this the same old pain occurs again for some time, **at such times immediately taking 3 tablets of 2, 4, 6, 8, 10.** A lot of white, watery, sticky, yellow and green coloured mucus comes out due to sneezing and coughing, sometimes the nose also gets blocked and then mucus lump comes out of the mouth automatically, sometimes a mild fever comes to throw out the germs of the waste, in short the waste that has been suppressed for many years comes out slowly.

**These 12 Salt Tablets stopped my suicide and today I am living a healthy life at age of 77. At the age of 55, my mother had to suffer a lot after breast cancer surgery at Tata Hospital, but after taking the salt tablets, she lived a comfortable life for 103 years.** Today many elderly people are living a healthy life after taking my **A1 & A2 Tablets.** If the society wants, I can give all the concrete proofs of this.

After 50 years, I am taking **No. 1, 2, 6 and 10, 5 - 5** each, daily at 10 am and 5 pm and with the help of these tablets my mother lived till 103 years, because with increasing age the muscle strength reduces and we do not get sleep, which is compensated by this tablet. **To avoid diseases, if you make it a habit to drink plain or lukewarm water every hour and maintain 60% water in the body, then diseases will never touch you, because all diseases are caused only due to dehydration - drying up of water from the body.**

**Why is all the food adulterated today?** Because many **'Holy Souls'** (but robbers, sinners and traitors by their deeds) want more money than they need, so they are robbing the world by suppressing all useful knowledge and useful information by their wrong plans and power of money. **These corrupt people also know that money earned by wrong means will not come with us and we will have to suffer the punishment of 'Bad Deeds' and you can see how the members of such families are dying.** In short brother, let such people do whatever wrong they want to do in their life, I request you not to become a partner in their sin by supporting them and **you also know what they do after their purpose is accomplished and what is the fate of those who obstruct their work.**

**Brother, more than their looted you can earn, only with the water irrigation, by helping 'Natural Cycle', without doing anyone 'Job - Slavery', you can become 'Self-Reliant' and live very happily in a 'Joint Family' and we 'Save and Sanghavi' has given all information. We request you adopt the 'Live and Let Live' principle and help others by your experience so all can live happily and by your 'Noble Good Deeds' we can do 'World Peace'. 'Wake up Brother, Wake Up' and see, why is it important to do this 'Noble Work'?**

For many years we **'Hindus and Muslims'** were united and were progressing in every field, but now the religion of both the communities is divided in every way. **Today, Jain and the Hindu community, it is divided into many parts.** One example, I am a Jain but I only know that there are 8 holy days in 'Jainism', but I still don't know the exact date!! Similarly, **26**

the **'Muslim community'** is also divided into many parts. After partition, many 'Muslim countries' fight with their own innocent people, usurp each other's land, money, property, the oppressors know that this looted property will not come with them in the last journey, yet they are engaged in the same work and killing their own people. **Why is this happening?** Because they do not know the concrete proof of progress because that propaganda has suppressed the talk. That is why everyone is living a suffocating life, enduring atrocities and living with the belief that this suffering is written in our destiny!! **Those who know the truth are not united among us that is why, due to the fear of death, they do not promote the 1960 Shri Save Organic Farming System and the 200 years old Dr. Schussler's about 12 Tablets, that is why people lives at the mercy of others, now think how long will this go.**

To develop unity in the society, after many years, our 'One God' has sent his messenger, who started his life by selling tea and step by step studied all the problems of the society and later, Shri Modi Ji became the Prime Minister of India. To make society healthy, wealthy and happy, he is repeatedly saying, please do 'Organic Farming' and to save the world from the demons and blood thirsty people, he says, 'If we are in unity, we are safe, if we get divided, we will be cut'.

The strong proof of our unity is that, **'In 200 years of ruling the British could not loot India, who was the best farmer in the world, but due to the deceitful policies of some traitors, India, Pakistan and many countries were ruined in just 60 years.'** If we unite again and get everyone's support, then through the **Shri Save System** we can solve the world's problem of **'Hunger and Water'**, can get rid of **'Global Warming'** and also establish **'World Peace'**. If we do not show unity, then **'The Next World War will be only for Food and Water'**. How will it be possible to stop this? For this, read the **'Do Nothing and Earn a Lot'** section.

In the world no school / college is giving right education to the new generation about, how to become a millionaire by organic farming, with 12 salt tablets live a disease free life and get rid of **'Global Warming'**, so lack of right education, farmers are forced to adopt **'Modern Farming'** and people are forced to adopt **'Modern Medicine and Treatment'**.

We **'Save and Sanghvi'** know that animals also live their life, but we are humans who live for family and society. Before going empty handed, we did our best so that all can get **'The way to Healthy, Wealth and Happiness'**. To live happily and disease free we are asking **'God Blessings'** and we are searching in a Temple, Mosque and in Church, but actually **'God'** is in front of our eyes, one is **'Farmer'** and other is **'Doctor'** and both protect us. Shri Bhaskar Hiraji Save has given us information about all the discoveries of **'Organic Farming'**, by which with profit will get **'Healthy Food and Water'**. Dr. Schussler has given us information about **'Natural 12 Salt Tablets'** which you have read.

I gave information about **'12 Salt Tablets'** so that everyone can become disease free. Now I am 77 years and till date I gave free tablets to get **'Kind Blessings for my Salvation'** and with my 40 years of experience, from head to toe and for any diseases one can get relief, I prepared **'A1 and A2 only two tablets'**. Many patients have sent me congratulatory 27

**letters and videos after getting relief, after seeing which many doctors also came to me to get tablets.** Now I am 77 years and I have stopped giving tablets, but the company which used to make **A1 and A2 tablets** for me, knew about my '**Social Service**', so they thought that when everyone is getting benefited then we should also do '**Human Services**', so based on my all the evidence, '**In 2021 they took permission from the government**' and they are selling **A1 - 100 and A2 - 100 tablets, with a copy of the diet**, at the same low price of **Rs 500/-** and to help the society, those institutions who take at least 25 bottles, they are giving the tablets at a lower price. Many people are selling one bottle each at the same price to help and serve the people, their names and numbers are given below.

I never accept defeat in life and have made such inventions in life which are world's first. We '**Sanghavi Family**' in printing have received '**Many National and International Awards**'. In farming, we '**Save and Sanghavi**' have show a system of making the country '**Agriculturally Oriented**', stopping '**Farmer Suicides**' and getting rid of the problem of '**Food and Water**', about which system you read. I have prepared 'Natural Salt 2 Tablets' to give relief to any disease in 15 days. You read all those things about our '**Human Service**'. **Similarly, to stop the loot of the country, we have made the first two useful software's in the world. Using the 'Modern System', the work which cannot be done even by spending at least Rs.500/- per day, same work in just 5 minutes, with their own normal printer and scanner, at a cost of only Rs.50/- per day, same work more than 1,000 branches are doing. We have given all the solid proofs of this, but 'We Indians don't trust each other, that's why we don't get full support from the country!! Why? You know all the reasons'.**
